Big Night at Youth Club New Altona ON THE BEACH

Last Friday evening, Altona Citizens and Police Youth Club held its first break up night in the new centre.

It proved very successful and there was a very large audience of parents and friends. This was most encouraging to the boys and girls who were there in force and is indicative of the increasing interest in youth work in Altona.

Amongst the audience was Cr J. J. Ginifer and the Shire Secretary, Mr J. Waters and Mrs Waters who were favorably impressed with evening's programme and the efforts of the various sections who contributed. In a short speech Cr Ginifer congratulated the club.

Mr E. Nette compared the programme and a speech of welcome was given by the president Mr T McGarry.

Items were given by dancer Miss Irene Beer, Maureen Mochon (accordion), the Junior girls' choir under the direction of Miss Bonnie Rose, and the three teams of marching girls.

The highlight of the evening was the presentation of awards and certificates recipients being as follows:

The VAYC annual awards, Mervyn Rattray and Miss Pamela Hawkless presented by the president.

Certificates of merit, junior girls, Susan Rose, Rhonda Gebert, Elaine Paterson, Jeannie Gore, Leone Robertson. Intermediate girls Iren Beer, Carol Pedder, Valerie Cooper, Helen Kirk; Senior girls, Gloria Ryan, Bonita Rose, Margery Allen,

Norma Bailie, Christine Scott-Dalglish.

Girls' certificates were presented by senior instructor, Mrs M. Ashman

Junior boys, W. Freeman, H. Benedierks, Felix Karpinski, Ray Jensen, Terry Gardener, Peter Fortune, Graham Page; intermediate boys, Eddie Kip, Alan Bailie, Paul Iiter, Philip Reid, Colin Rottray, Graham Tyrrell, John Carr, John Duncan. Senior boys, Mervyn Rattray. Boys' certificates were presented by the senior instructor R. Reinwald.

Marching girls' certificates presented by Mr H. Smithies to the following: Midget team, Lynette Ackary, Annette Harvey, Ann McKellar, Roylent Finlay, Diane Leathers, Susan Verity, V. Robertson; junior team, Christine Carr, Irene Williams, Margaret Smithies, Carol Owers, Diane Fortune, Leone Robertson. Senior team, Violetta Arnastauskas, Pamela Hawkless, Sharon Hocking, Robyn Noone, Irene Oakes, Marie Jackman.

The club records its appreciation of the valuable work carried out by the instructors, R. Reinwald and A. Turner, both of whom will be leaving the club and Victoria indefinitely. To mark that appreciation each one was presented with a leather writing case from the committee and travel diaries from the boys of the club. The latter presentations being made by M. Rattray, a new instructor, on whom the committee have great hopes for 1961.

Resident

Dr Z. Atlas, who has consulting rooms at 76 Pier Street, has moved from West Newport and will reside at 47 Millers Rd. Altona.

Born in Lwow, Poland, but now a naturalised Australian, Dr. Atlas is well known throughout the sporting world and he has treated such world-renowned figures as Olympians Lorraine Crapp, Faith Leith, Don Fraser, Sugar Caine, and many others, including the Czech athlete, Zatopek.

Dr Atlas was official doctor for all Australian soccer teams and was president of Sports Club in Melbourne.

A keen sportsman himself, he has won the Rumanian breast-stroke championship over 200 metres and the Ukrainian University championships three times. He has kept goal for the Australian water polo team and won the Polish ski-ing championships and finished 11th in the Russian championships out of 217 competitors.

Dr. Atlas speaks 12 languages and in 1944, when the Russians marched into Rumania, he was an interpreter at Allied headquarters.

During World War II he was a senior officer in the Polish underground and finished up as a private with the British Forces (Eighth Army).

He is also a Flight Lieut. in the RAAF Reserve.

Now aged 40, the doctor completed his education in Australia under the British Bill of Rights, after having served in Italy and with the English forces in Middle East.

In 1946 he was the only Pole to finish medicine in an Australian university. This was granted exclusively for his fine work during the war.

In 1958 he made a world tour studying athletic medical facilities and renewing friendships made during the Melbourne Olympics. He was impressed by the huge training centres in America but considers Australian Rules football far more spectacular and exciting than the American grid-iron.

This tall, athletic and good-humoured physician with friends throughout the world will have no difficulty in acquiring further friends in Altona.

NO STABLES IN RESIDENTIAL AREAS

Greater Altona Horse and Pony Club in a letter to council, expressed alarm at the enforcement of the ordinance regarding stables in the shire and asked if suitable arrangements could be made to protect members of the club.

Council, however, decided that the club be informed that stables were not allowed in residential areas.

FOUR LOCAL ORGANISATIONS WERE REPRESENTED AT THE MEETING, CONVENED BY THE SHIRE COUNCIL, LAST THURSDAY NIGHT, TO DISCUSS BEACH CLEANING PROPOSALS PUT FORWARD BY THE LIFESAVING CLUB.

Messrs T McGarry, A Young and F. Watson represented the Altona Youth Club; Messrs B Ewen and A Henshaw the Yacht Club; Messrs H Walker and R Carruthers, the Scouts and Messrs B. Probert and J Wall, the Life Savers.

The Shire President Cr W. Cresser, Crs J Ginifer, W Bond, W Irwin and W Lee and the Shire Secretary, Mr J. Waters represented the Shire Council and showed a keen interest in the proposals put forward and offered several useful suggestions.

After a long discussion it was decided to zone the beach as follows:

Youth Club, Romawi to Pier St. Yacht Club, Pier to Davies St. Life Saving Club, Davies to Bayview St.

Scouts, Bayview St. to Millers Road.

This portion of the beach is the most popular but it is felt that other clubs and organisations would like to assist in the beach maintenance, in which case operations can be extended from Maidstone St. to Nellie St.

The Council is to erect signs stating which organisation is maintaining each section and large concrete bins are to be provided in which to put the debris collected. The main emphasis will be on collecting dangerous debris such as bottles and broken glass, tin cans, and sharp stones, etc.

The public in general is asked to co-operate in this very worthy effort by not leaving bottles etc., on the beach.

On the suggestion of Cr Lee, the operation is to be on a competitive basis. A motion that Council be asked to donate a trophy was carried.

Councillors will make periodic inspections of each section to decide which one is being maintained the best from 15th

December to 15th April.

A further motion that the trophy be presented at a social dance some time after 15th April was also carried.

Shire President, Cr W. Cresser, extends Christmas and New Year Greetings to residents of the shire

EX COUNCILLORS HONORED

At last week's meeting of council five ex councillors were presented with letters of appreciation under the seal of the council. They were Mrs C. McIntyre and Messrs. R. Logan, R. Frazer, R. Watson and W. Langshaw.

DO YOU KNOW YOUR BUTTER ?

Although butter has been a staple item of diet for centuries science is continually improving and finding more uses for it.

Here are some tips about butter you may find handy.

1. Store butter in its wrapper in a cool dark place. If you have no refrigerator keep in a covered earthenware dish or butter cooler.

2. If you want the paper to come away cleanly, hold the packet under the cold water tap for a few minutes before unwrapping it.

3. To prevent skin forming on sauces that are to be reheated, put a piece of butter on top; and stir it in just before serving.

4. Chocolate icing won't turn dull when it sets if you put a tiny piece of butter in it when mixing.

5. When making jam add a knob of butter to reduce foaming and the formation of scum.

6. A few dabs of butter added to fruit in a pie will prevent the juice boiling over. Similarly, it will discourage the water from boiling over when cooking rice.

7. A little piece of butter melted and added to pancake batter makes the pancake a nice color improves flavor and prevents it from sticking to the pan.

8. The addition of butter to plain bread dough mixture ensures longer keeping qualities.

9. Keep the parchment wrappers from your butter and use them for making souffle cases, greasing moulds and tins and placing over the breasts of oven birds.

10. When boiling peas and beans a teaspoon of butter in the water prevents boiling over.

Altona Bowling Club History

By Yardstick

It will be remembered that I left you at the public meeting in the Church of England hall Well, Mr Turner invited Mr Lowe, the greens director and adviser to the RVBA to attend this meeting, which he did and acted as chairman during the preliminary discussions as to the forming of a bowling club. He also gave advice as to what was required in equipment, soil, levels etc. After some interesting talks the decision was to form a bowling club and elect officers and members to a committee and make a start.

So Mr A. Aurner was elected president, Mr W Dix secretary Mr G Russell assistant secretary and Mr W. Grant, treasurer. Approximately 12 gentlemen were added and formed the first active committee.

So far so good, but with land being hard and costly to get in Altona it was decided to do as many clubs have done in the metropolitan area and approach the local council for advice and help.

Before going any further I wish to say that our local council has been a tower of strength not only to the bowling club but to every sporting body in the shire.

Two bowling club members were elected to go to the council on this matter. They were Messrs Turner and Russell. They were agreeably surprised when they found that the council had been far seeing enough to have set land aside in their town planning for this purpose. Thus number 1 big problem was solved. This land was in Grant Reserve.

More next week.

PENNANT AND CLUB RESULTS

Russell, Douglas, Whyte, Cunningham 36-14.

No 2 team. Hawthorn defeat Altona.

Walsh, Grant, L Cox, Stephens 14-33.

Watters, McNeillage, Crutten, Deegan 20-18.

Ingles, McDonald, Fisher, Roach 27-18.

Mixed rinks were played on Sunday, December 18 and resulted in a win for the rink skippered by G. Russell, Mrs Dowdell and N. Richardson.

I wish to take this opportunity of wishing my readers a Merry Christmas and a Happy New Year.

LONG-RANGE PLAN COMES TRUE

Local citizens have a Crematorium and Lawn Cemetery as good, if not better, than any in the world. The first section of the new Western Suburbs Memorial Park was opened by the Minister for Health, Hon. E. P. Cameron, MLC, on Wednesday, December 4

Conveniently situated on the Princes Highway at North Altona, it incorporates many new features and a great deal of careful thought has gone into the overall plan. Every care has been taken to avoid the mistakes of the past, which often left cemeteries bare and desolate places with a chilling and depressing atmosphere.

At Western Suburbs Memorial Park everything has been done to make the park a place of dignity and beauty: a worthy memorial to those who will finally rest there.

A major landscaping plan for the entire 148 acre site will eventually make this area one of the largest and most beautiful gardens in the world. The first section, now being completed, is part of this long-range plan, and shows just how magnificent a permanent memorial park can be.

Lovely green lawns surround the modern crematorium and chapel. Driveways and car park are in keeping with modern life without detracting from the beauty of the gardens.

Australian wattles and our familiar eucalyptus trees will add color and friendly comfort to this shrine of memory. Informal gardens feature clumps of shrubs and plants including roses, rosemary, lavender, and jasmine; and the whole atmosphere will be one of a natural and gracious garden without clutter or ostentation.

The graves in the cemetery will have a simple bronze plaque set in the lawns. Untidy raised headstones will be avoided, and any special memorials will take the form of rock gardens or small reflection pools, all adding to the charm and beauty of the park.

Trustees are Crs. E. S. Loft, JP (Chairman), G. J. Digman, JP, and Messrs F. R. Speechley, W. L. Crofts, J. Crigall, S. H. Robinson and A. W. Hick. The manager-secretary is Mr C. W. Sidway.
